ASSEMBLYMEMBER BRONSON

Donation Drive for Willow Domestic Violence Center

"Domestic Violence affects people and families in every neighborhood, every background, and every part of our community and domestic violence rates in Monroe County are nearly two times the statewide average. When victims leave their abusers, they often do so with nothing, and every little bit helps! This season, I am proud to partner with the Willow Domestic Violence Center to help families feel safe, cared for, and celebrated. Let's come together to provide non-perishable foods and toiletry items to survivors so they can begin the process of rebuilding their lives with healing and hope."
