Eligibility: Cooperative Extension Associations. Must meet requirements of Cornell University for County Extension Service Associations, including execution of an MOU with Cornell as required by County Law.

Type of Program and Special Restrictions: Optional, but once chosen subject to mandated State and Federal requirements. Funds for the support of Cooperative Extension programs not to exceed total current county appropriations, plus formula is used to allocate funds to associations.

Action Required to Receive Aid: No application for aid required, automatic payment.

Description of Aid:

Flow of Funds: Federal to State to Local (Pass-through), State to Local. Monies are provided as a reimbursement.

Type of Aid: Ongoing

Formula: A minimum amount of \$24,000 multiplied by a fraction of which the numerator shall be the sum of the personal income per capita of each county participating in the Cooperative Extension service programs, divided by the number of all such counties, and the denominator shall be the personal income per capita of the particular county. Such annual apportionment shall not exceed the total of the current State appropriation plus the most recent three year annual average State appropriation multiplied by the most recent three year annual average percentage increase in county appropriation to its extension service associations.

Matching Requirement: Federal 24.9%, State 23.8%, Local 51.3%. Matching percentages reflect overall program cost shares.

Maintenance of Effort: Local county appropriations must equal State County Law, Section 224 funds.

Amounts Appropriated:

Funds are appropriated directly to Cornell University through U.S.D.A., and are not included in State appropriation process.
