If you have any questions about the information in this brochure or wish to contact me regarding any state issues, please feel free to contact me at destefanoj@nyassembly.gov or call my District Office at 631-207-0073.

I supported legislation that was blocked in committee to:

- Increase public safety by ensuring background checks for transportation network company drivers (A.3477)
- Combat targeted acts of violence against emergency responders (A.3417)
- Enact Jacobe's Law, requiring school administrators to contact the parents or guardians of students when bullying or harassment has occurred (A.2231)

Next year, my focus will be to:

- ✓ Raise our quality of life
- ✓ Make progress on fixing Tier 6 during a significant worker shortage
- ✓ Make our communities safer by opposing bail reform
- ✓ Work to keep families together and living in our state
