A special message from

SUPPORTING FAMILIES AS THEY WORK AND GROW

In today's world, child care is not a simple choice. It's not even a luxury. For many working families today, child care is essential. That's why I've partnered on many initiatives to help give families options and support as they work and care for their children.

MORE ACCESSIBLE OPTIONS FOR PARENTS AND CHILDREN

I am supporting alternative child care solutions to be implemented into law in New York State (A.9202)

SUPPORTING CHILD CARE STATEWIDE - FAIRLY

I am backing a proposal that would create a regional cost factor to evaluate which areas of New York need more public support based on local cost-of-living (A.9220)

INCENTIVIZING CHILD CARE DEVELOPMENT IN NEW YORK

I want to offer a partial real property tax exemption for local municipalities that encourages the development of child day care centers (A.8579)
