# SAFETY STARTS WITH US.

As a father of five, I empathize with the worries surrounding the surge in criminal activities. As both a legislator and a parent, I bear the responsibility of ensuring the safety of our community and working together to protect our most vulnerable members.

## WE CAN PROTECT THE FUTURE OF TOMORROW BY:

- ✦ Protecting schools and prohibiting level two and level three sex offenders from stepping onto school grounds to vote (A.2212).
- ✦ Prohibiting sex offenders from residing within 1,000 feet of a school, daycare center, or park (A.2265).
- ✦ Honoring Gabby Petito by implementing "Gabby's Law" throughout New York to coordinate a "Teal Alert" for missing adults or those believed to be in danger (A.3230).
- ✦ Ensuring the safety of children with disabilities by mandating that daycares and schools keep their emergency plans up to date (A.4978).
- ✦ Voting NO on cashless bail laws that continue to allow pre-trial release for some defendants charged with a crime (A.3006-C).

Public service begins with listening. As your Assemblyman, I want to hear any concerns or questions you may have so we can make our community a place we can be proud to call home. Please contact me any time—I'd love to hear from you.
