## THE GOVERNOR WANTS TO REDUCE OUR SCHOOL FUNDING.<sup>1</sup> THAT'S NOT OKAY.

For years, New York has provided steady funding to its school districts, ensuring consistent budgets. The governor wants to see that removed.<sup>2</sup>

## BAYPORT-BLUE POINT SCHOOL DISTRICT

## DEEP CUTS

If the governor's plan goes forward, this is the school day our students will live:

- More overcrowded classrooms
- Fewer teachers and classes
- Fewer enrichment programs, like arts and music

If the governor's proposal goes through, school districts may ask you to contribute more through higher property taxes in order to keep schools adequately funded.
