ADDRESSING NEW YORK'S COST OF LIVING CRISIS

“New Yorkers shouldn’t have to choose between paying their bills and living their lives.¹ I’m committed to advancing real solutions that make housing, energy, and everyday essentials more affordable for working families across our communities.”

HERE ARE THE PROPOSALS I AM SUPPORTING:

✓ TAX RELIEF

- Provides a supplemental tax credit to help working families cover the cost of household or dependent care (A.2314).
- Makes everyday essentials more affordable by removing sales tax on gasoline, diesel, household supplies, and ready-to-eat food (A.7417).

✓ CHILDCARE ACCESSIBILITY

- Provides tax credits to childcare providers so they can expand, improve, and serve more families (A.2392).

✓ PROPERTY TAX RELIEF

- Redirects funds from new or increased state taxes to local governments to help reduce property tax burdens for homeowners (A.4564).

✓ EXPAND CREDITS EARNED

- Expands the Earned Income Tax Credit and gives families more flexibility in how and when they receive it (A.2498).
