Re: Amazon Sale of Anti-Jewish Items

Dear Mr. Bezos:

The overwhelming majority of Amazon shareowners and customers would be nauseated that your platform is selling clothing with the logo “From the river to the sea, Palestine will be free.” Reputable news sources such as Newsweek have so reported.

You may as well sell clothing bearing the words “Kill all Jews.”

The entire world witnessed on October 7 the primitive acts of murder and viciousness that are at the very heart of the “From the river to the sea” movement.

As President of the New York chapter of the National Association of Jewish Legislators, I urge you to use your position of authority to direct that Amazon NOT be involved in the sale or distribution of these death glorifying items.

Sincerely,

Charles D. Lavine
