## ***Assemblywoman Michaele Solages Announces:***

Valley Stream has officially been awarded \$10 million through New York State's Downtown Revitalization Initiative (DRI), marking a major investment in the future of our community.

As Long Island's gateway community, Valley Stream's "International Downtown" is home to diverse small businesses, restaurants, families, and commuters from across the region. This funding will help improve walkability, infrastructure, public spaces, and support long-term economic growth throughout the village.

We thank Governor Kathy Hochul and all of our local partners for making this funding a reality and for helping to build a stronger, more connected downtown for generations to come.

## Assemblywoman Michaëlle Solages Announces:

### **A Transformational Investment in Valley Stream**

The Downtown Revitalization Initiative is helping shape the next chapter for Valley Stream by investing in projects that strengthen our community and prepare us for the future. Funding will support:

- Safer, more walkable streets
- Support for local businesses and neighborhood vitality
- Critical infrastructure improvements
- Enhanced public spaces and community gathering areas
- Economic development and new housing opportunities

This \$10 million investment reflects the promise and potential of Valley Stream. Through the Downtown Revitalization Initiative, we are creating a more connected, vibrant, and welcoming community, while preserving what residents love most and delivering the infrastructure needed to support the next generation of growth.
