Assemblyman Alec Brook-Krasny

Alec was elected to represent the 46th Assembly District in November 2022.

Like us, he believes in responsible and effective government where you come first.

Albany's been silent on public safety and done little about inflation...Alec will help to change that.

Of Russian-Jewish decent, Alec immigrated to Brooklyn knowing only a few words of English. He worked hard to become a successful entrepreneur by building a family fun and entertainment center on Coney Island, and he wants to help more of us capture the American dream.

Alec's Priorities:

- Build a local technical and vocational school in South Brooklyn so students can realize a career in the trades.
- Improve South Brooklyn's transportation system because the current bus and subway lines are not enough.
- Support our brave police officers and first responders against harmful rhetoric and calls to defund them, while working to repeal cashless bail.
- Clean up and protect our cherished beaches and waterfronts.
