Assemblyman Alec Brook-Krasny
2002 Mermaid Ave.
Brooklyn, NY 11224

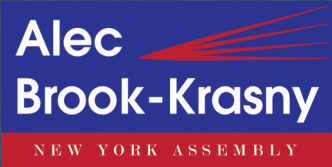

Dear Friends and Neighbors,

As your representative in the New York State Assembly, my top priority is making sure your voice is heard in Albany. The decisions made at the state level have a direct impact on our community, and your input is essential in guiding the policies I advocate for. I invite you to take a few moments to complete this brief survey.

While my core values include smaller government, lowering taxes, market solutions to issues like energy and economic development, and placing a larger emphasis on public safety by supporting law enforcement, as your representative, I believe it is imperative for me to understand the issues that matter most to you to make sure that I am properly representing the views of my constituents.

Thank you for sharing your thoughts.

Alec Brook-Krasny
