

Rebecca Seawright

Dear Friends and Neighbors,

The reported leaked draft opinion indicating that the United States Supreme Court already voted to overturn the landmark Roe v. Wade assuring women everywhere of their reproductive rights is deeply distressing.

I joined the Legislators Rally for Reproductive Rights in Albany standing alongside Governor Kathy Hochul and colleagues to affirm New York's commitment to upholding reproductive rights and to make abortion care accessible to every woman in this state and across the country.

Senior Citizen tenants or tenants with a disability who qualify to have their rent frozen at their current level and be exempt from future rent increases should consider signing up for the Senior Citizen Rent Increase Exemption (SCRIE) and the Disability Rent Increase Exemption (DRIE) clinic in our district office.
