

Assemblyman Jeffrey Dinowitz:

Trump's "Big Beautiful Bill" will have devastating consequences for Bronx families

"President Trump's "Big Beautiful Bill" slashes federal funding across the board to help pay for tax cuts for billionaires at the expense of everyday Americans. While it will be impossible for New York State to find enough money to make up for these drastic cuts, I will do everything in my power to mitigate the impact of these barbaric attacks on our families."

— *Jeffrey Dinowitz*

Permit No. 75

- Adds \$3.4 trillion to the federal deficit over the next decade
- Strips \$201.2 billion from New York State's budget

- More than 2 million New Yorkers at risk of losing insurance coverage
- Cuts over \$14 billion from New York State hospitals, resulting in reduced services or possible closures

→ Over 300,000 families projected to lose some or all of their SNAP benefits, threatening food security and putting our kids' health in jeopardy

- Limits access to student loans by implementing caps on borrowing
- Eliminates current income-based repayment plans, increasing the financial burden on students and families

- Ends tax credits for electric vehicles and energy-efficient upgrades
- Provides a boost to the fossil fuel industry, accelerating the impacts of climate change
