Marie Therese Dominguez  
Department of Transportation Commissioner  
50 Wolf Road  
Albany, NY 12232

Dear Commissioner Dominguez,

I write to you today on behalf of the Somers community regarding the current condition of Route 202. Having spoken to Supervisor Rob Scorrano and Highway Superintendent Nick DeVito I am requesting your assistance in addressing the approximately two mile stretch of this state road between Routes 118 and 139.

Having met with Region 8 leadership this corridor was not identified on their resurfacing schedule. The current poor condition will only continue to deteriorate if it is not addressed. As you know, since it is a state road the responsibility falls to your agency to rectify this situation which is why I am requesting your assistance.

I appreciate your assistance on this important matter and look forward to working with you to enhance the infrastructure across the Hudson Valley.

Sincerely,

Matt Slater  
Member of the Assembly
