Look inside to learn what

ASSEMBLYMEMBER Didi Barrett

has done for our community.

ASSEMBLYMEMBER Didi Barrett

Dear Friend,

As we embark on a new legislative session in Albany, it's my great pleasure to introduce myself as your new representative in the New York State Assembly.

I have had the honor of representing the beautiful 106th Assembly District – which now includes your town – for the past decade. During this time, my team and I have worked hard to improve lives and support communities throughout Dutchess and Columbia counties. I am proud that we have secured record funding for our public schools and libraries; delivered direct support for our small businesses, not-for-profit organizations, fire departments, emergency service providers, and cultural institutions; boosted our region's rich agricultural sector; and expanded access to veterans' services and benefits.

Through our constituent services, my office can help you connect with local services and state agencies; obtain benefits, government forms and applications; learn about support services and veterans' benefits; and receive information on home heating assistance and tax-saving programs. So please don't hesitate to reach out for details on these or other types of services.

I look forward to seeing you at local events, in the community and at one of our Diner Stops throughout the year.

Sincerely,

Didi Barrett

Member of Assembly, 106th District
Chair, Committee on Energy

Assemblymember Didi Barrett is delivering results for the Hudson Valley

Supporting our veterans

- Created the first Department of Veterans Services to help veterans and their families navigate the state benefits and resources available to them (A.9006-C of 2022)
- Expanded access to scholarships for servicemembers and their families (Chap. 611 of 2021)
- Passed the pioneering OutdoorRx Act to promote access to the healing qualities of nature (Chap. 282 of 2020)

Enriching our region

- Spearheaded groundbreaking Carbon Farming Act and pilot program in the Hudson Valley to promote regenerative agriculture (A.2042 of 2022)
- Brought millions of dollars to the district for fire departments, police departments, emergency services, not-for-profit organizations and cultural institutions
- Longtime advocate for increased awareness and funding to fight Lyme and other tick-borne diseases

Fighting for us

- Sponsors legislation to protect mobile home residents from unfair rent increases (A.6755-C of 2022)
- Longtime advocate for women's rights and reproductive health access
- Introduced the SITED Act to create a mapping tool to allow communities to identify sites for renewable energy projects, and an educational outreach program to inform the public about these projects (A.2888 of 2023)
