Assemblyman Angelo Santabarbara: Working to bring CDTA bus routes to Amsterdam

Dear Neighbor,

Public transportation is a critical service that many residents, especially commuters, seniors and students, rely on to get to their destinations safely, makes businesses more accessible to visitors and fosters connection between our upstate communities. That's why I'm working to bring CDTA bus service to our community.

As Chair of the Assembly's Rural Resources Commission, I've long advocated for expanding the Capital District Transportation Authority (CDTA) bus services into the Amsterdam area.

Amsterdam residents should rest assured that I'm continuing my efforts to bring CDTA bus service to Montgomery County. My proposal this year would allow CDTA to receive State Transit Operating Assistance funds in addition to support from the Federal Infrastructure Investment and Jobs Act, which included funding for CDTA to purchase new buses to use in emerging markets like Amsterdam.

While I continue working to make this much needed expansion a reality, YOU CAN HELP BY ADDING YOUR NAME TO MY PETITION BELOW and returning it to me or find it online.

Your friend,
