A message from

ASSEMBLYMAN ANGELO SANTABARBARA

Dear Neighbor,

We all know how important the Thruway is for everyone who lives and works here in the greater Capital Region. So many of us rely on the Thruway for our daily commutes, and it's the gateway to the furthest reaches of our state.

In past years, we successfully fended off unfair toll hikes together. In 2012, I took immediate action against the proposed 45% toll hike on our large trucks. Two years later, we successfully fought against a proposal to increase tolls to pay for the Tappan Zee Bridge, and we successfully kept a similar proposal out of the Thruway Authority's budget in 2017 too. The fact is we already pay more than our fair share in tolls, yet the Thruway Authority is seeking to increase tolls and it's coming at the worst time possible! You can be sure I'll do everything in my power to stop this outrageous proposal as I've done in the past.

Join me in this fight- SAY NO to the Thruway toll hikes by signing my petition below.

Sincerely,

Assemblyman Angelo Santabarbara
