I Made Sure To Invested In Jobs

Job growth in the North Country is priority #1 for Ken.

He voted to help grow our small businesses, manufacturers, family farms and local tourism, are the backbone of the North Country economy.

As a small-business owner himself,
KEN IS A TRUE PARTNER TO SMALL BUSINESS

- ✓ Funded \$4 million in local tourism matching grants so that the North Country growing outdoor and ag tourism industry can compete for these dollars.
- ✓ Strengthened the Excelsior Jobs program credits to retain and attract jobs h our state.
- ✓ Established Recharge New York, our state's low cost energy program to support small businesses and farms.

A FRIEND TO AG - CIRCLE OF FRIENDS

When Albany politicians threatened to cut our agricultural programs, Ken immediately took action and petitioned Governor Cuomo and his legislative colleagues to restore these important rural investments.

Ken's Not Stopping There

Top economists agree – it's time for N to remove regulations and spur job growth.

- X Cut costly mandates on local government and schools to truly lower your taxes;
- X Kill the "job killing" corporate income
- X Lift the layers of government red tape interfere with economic revitalization.

KEN'S PRIORITY IS REMOVING BARR SO THAT NEW YORK'S STRENGTHS C SHINE IN THIS ECONOMY!

Keep in touch! Let Ken know how you're making an impact on the North Country economy.
