

**Small Businesses. Big Ideas.**

STATE ASSEMBLYMAN

**KEN BLANKENBUSH**

“We must create an atmosphere in this state where businesses can succeed and prosper, not one that drives them across our state lines.”

– KEN BLANKENBUSH

New York is one of the highest taxed states in the country. Assemblyman Ken Blankenbush has made it his priority to

- **Lower taxes on small businesses** (A.5209)
- **Eliminate overbearing regulations** (A.5898A)
- **Create an environment where businesses flourish** (A.5215)

Small businesses employ most New Yorkers, but taxes in New York are too high to foster real job growth. **Businesses and families shouldn't have to move to other states for better opportunities.**
