**Dear North Country and Mohawk Valley Residents,**

In 2021, it is more important than ever that we show support for the brave men and women in law enforcement. They put their own lives in danger on a daily basis in order to protect us. This is why I am supporting over 25 bills this year in Albany that will directly benefit those in law enforcement.

**Ken is Committed to Our Men and Women in Uniform:**

Enact increased penalties for those who incite crimes during a riot (A.5121)

Create a \$30 million police safety equipment grant program for departments statewide (A.4758)

Set forth the process for retired police officers to become special security officers in our schools (A.4852)
