Our Children Are Our Future,

SO I'LL CONTINUE TO FIGHT FOR LEGISLATION THAT WILL PROTECT THEIR HEALTH AND SAFETY.

- Increase penalties for drivers passing stopped school buses (A.2246)
- Create a school resource officer program for retired police officers (A.3732)
- Restrict sex offenders from residing near a school, playground, or at a home daycare or daycare facility (A.564 and A.3480)
- Support Youth Programs, including Before and After School Programs
- Require investigations of all reports of child abuse made to the Statewide Hotline by hospitals, medical or law enforcement personnel (A.3610)
