ASSEMBLYMAN WILL BARCLAY: FIGHTING FOR GOLD STAR FAMILIES INVESTING IN THE FUTURE

When some lawmakers blocked a bill in committee to expand tuition benefits for Gold Star Families, I knew we had to take action and do what was right. My colleagues and I spoke out about the bill being blocked and the issue sparked national attention.

Thanks to the many individuals, residents, and groups speaking for our Gold Star Families, we were successful in our efforts and New York will do what is right — all spouses and children of service members who die on duty will be eligible to receive free college.

Our voices were heard!
