HAVE DEBT?

Helping you pay off debt is just one way I can help you save for your future. I support the RETAIN NY program to provide you with a personal income tax deduction for all interest paid on student loans and increase existing deductions to \$15,000 (A.3478).

WANT A RAINY DAY SAVINGS FUND?

I am working hard to reduce your tax burden so that you can keep more of your paycheck. I support the SHOP-NY tax relief plan that would eliminate state sales taxes on the essentials you need: gasoline, household cleaning supplies, ready-to-eat foods, personal hygiene products, helmets, and child seats. Cutting taxes allows you to save more, or spend your money however you wish (A.4558).

WANT TO BUY A HOME?

The Property Tax Cap controls the rate of growth on your home's property taxes, helping to lower your costs. Coupled with real mandate relief, homeowners would continue to see reduced rates of property tax growth – allowing you to consider buying a home, keep your home, or improve your home over time (A.5365, A.3227).

NEED A RETIREMENT SAVINGS PLAN?

Investing can be hard, especially in a tough economy. But I want to help you to invest in your retirement by making the first \$100,000 of a private pension non-taxable (A.879).
