

HAPPY

Holidays

from Assemblymember Pamela J. Hunter

Dear Friend,

I want to wish you and your family a happy holiday season.

Together, we've worked hard this past year and had many important successes along the way. It's time to build on that momentum in the new year.

In the coming year, I'll keep fighting to move Central New York in the right direction by attracting new and emerging businesses, giving our kids a great education and keeping our communities safe.

If you have any questions or concerns, please feel free to reach out to my district office.

Sincerely yours,

A handwritten signature in cursive script that reads "Pamela J. Hunter".
