SNOWBOARDING & DOWNHILL SKIING:

New York State has some of the finest skiing east of the Rockies, and right here in the 133rd Assembly District, we have three ski centers the whole family can enjoy! Not only do they offer snowboarding and downhill skiing, but they also offer group and private lessons for adults and

kids, camps and childcare programs, and downhill ski racing training opportunities too! Whether you're interested in the adrenaline rush of racing, want to stick to the bunny slope, or simply want to enjoy the après ski lifestyle, check out one

of our area's ski centers this winter.

SCAN THE QR CODE to find a ski center for you and your family and check weather conditions before you head out!

SNOWMOBILING:

Snowmobiling is a thrilling and popular pastime for many New Yorkers. It's also a popular means of transportation on the farm and for many with large properties in rural communities. Assemblywoman Bailey wants you to be aware of the fees included:

- *\$135 For original and renewal registrations, regardless of whether the snowmobile is registered by a resident or a non-resident of the state.
- *\$65 For registrants who can provide proof of membership with a snowmobile club or Trail Maintenance Entity (TME) that is a member organization of the New York State Snowmobile Association (NYSSA). This also applies to original and renewal registrations, regardless of whether the individual is a resident or non-resident of New York State.

WANT TO LEARN MORE?

With more than 10,000 miles of trails and more than 200 clubs to join, including the Caledonia Trailblazers, there are plenty of opportunities to enjoy snowmobiling right here. Learn more about the sport, find clubs, get safety tips, and register: https://parks.ny.gov/recreation/

SNOWSHOEING:

Want to enjoy the tranquility of the snow? Perhaps snowshoeing is the right winter sport for you! Trails at Letchworth State Park or along bike paths and rail trails are a great place to start exploring the winter wonderland on snowshoes. Many parks and even some libraries have snowshoes you can borrow, so don't wait to give this ancient mode of travel a try this winter!

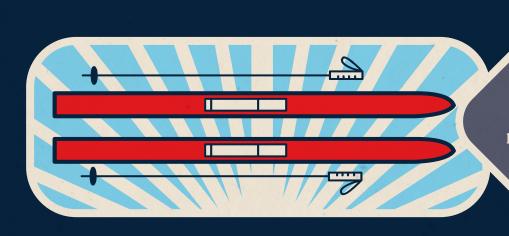

Program it in your phone now in case of an emergency later: 1-833-NYS-RANGERS (1-833-697-7264) or 911

SCAN HERE TO WATCH A VIDEO ON HOW TO LAYER FOR COLD WEATHER HIKES. It's not just about hiking! Dressing appropriately for winter weather is essential not only for safety but it can also contribute greatly to your enjoyment. Remember to dress in layers of wool or synthetic wicking fabrics, as "cotton kills" when it gets wet.

CROSS-COUNTRY SKIING:

Cross-country skiing is a wonderful way to explore winter at its best while offering a full-body workout. It's essential to follow trail etiquette for everyone's safety and to make sure no one gets lost—it's easy to travel far distances quickly on skis. Rest assured, you can take classes at cross-country ski centers, outdoor clubs, gear shops, or through community organizations. Don't be intimidated by cross-country skiing – give it a try this winter. It's a lot of fun!

Ice fishing is another way to bring together multiple generations of your family this winter to enjoy the outdoors and make memories. The most important thing about ice fishing is to respect the ice and follow advisories about whether or not it is safe to be on the ice. When it is cold enough, and the ice is thick enough, ice fishing is a perfectly safe activity that kids, parents, and grandparents can all enjoy together. And you might even catch your dinner! Give it a try this winter.
