“Every day,

our law
enforcement

officers risk their lives to keep our community safe. Their service plays a crucial role in preventing crime and keeping dangerous individuals off the streets. To show my gratitude, every February I put on our annual ‘Pizza for Police Day,’ when I deliver pizzas to 14 law enforcement agencies in our community. As your Assemblyman, I will always support initiatives that protect our families and community and give our law enforcement officers the respect and gratitude they deserve.”

To Protect Our Community

Here is just a small part of what I have been working on:

- ★ Make dangerous convicts serve their time and stay off the streets (A.5225)
- ★ Allow judges to use more discretion when issuing court orders (A.1754)
- ★ Keep our community safe by requiring certain dangerous convicts to have lifetime parole supervision after their release (A.5463)
- ★ Protect houses of worship from hate crimes (A.6929)
