Lockport is my hometown,

and I am so proud to represent you in the state Assembly. Every day, I work hard to stand up for you, to represent Western New York, and ensure that we get our fair share.

**EXPANSION OF THE DISCOVER
NIAGARA SHUTTLE ROUTE
INTO LOCKPORT**

This year I delivered a historic expansion of the Discover Niagara Shuttle into Lockport so that the people who come from around the world to experience Niagara Falls will be encouraged to easily extend their visits into Lockport. This is an important economic development project that I worked hard to accomplish.

**\$10 MILLION DOWNTOWN
REVITALIZATION GRANT**

Lockport has so much to offer, and that's why our \$10 million downtown revitalization grant is so vital. With this money, we can further boost our local economy, create jobs, and bring vibrancy to our city for the next generation.

**PRESERVING OUR COMMUNITY
BY HOLDING ABSENTEE
LANDLORDS ACCOUNTABLE**

I also introduced legislation that will ensure our city stays in good condition by holding accountable the absentee landlords who allow properties to deteriorate (A.6736). My bill will allow unpaid housing code violation penalties, costs and fines to be added to the city's annual tax levy.
